Dear Home Owner,

Thank you for considering Universal Windows Direct for your home remodeling needs. Since 2002, it has been our mission to provide the highest quality home improvement products, and installation, to the homeowner at the absolute best value possible. We back all of our products by our industry leading warranties, and we treat all of our customers with the respect and attention to detail that we would give our own family members. At Universal Windows Direct, we have entry doors that can fit into any budget. Our trained representatives will guide you during your decision making process to find the perfect entry door for your home. And don't forget, we offer a variety of other high quality products, including windows, vinyl siding, roofing, gutter protection and more. So experience for yourself why over 35,000 satisfied customers are saying, "I love my new doors!"

Sincerely,

ENTRY DOOR MATERIALS

“

Very professional staff. The door we purchased was installed in a timely manner. I would highly recommend this company. "

– James C., Columbus, OH

Fiberglass

Fiberglass entry doors offer the most advanced, highest quality fiberglass available on the market.

- 1 *Strong, rigid polyurethane* foam core.
- 2 *Fiberglass reinforced skins* are resistant to dents, splintering, and corrosion.
- 3 *Engineered Composite Bottom Rail* prevents moisture from seeping into the door.
- 4 *Adjustable threshold* forms tight seal.
- 5 *High Performance Weather Stripping* further strengthens and weather-proofs entry door.

Steel

Steel construction offers strength and durability to your home. Choose steel and give your family the comfort of the best security rating in the industry.

- 1 *Strong, rigid polyurethane* foam core.
- 2 *Weather strip* forms tight seal.
- 3 *Adjustable threshold* prevents drafts.
- 4 *Steel construction* of both inner and outer sheets offer strength and durability.
- 5 *Patented adjustable hinge plate system* ensures proper alignment and seal.

Maximize Peace of Mind and Pride of Ownership

Feeling confident that your family is protected is a great feeling. That's why our doors are crafted with safety and security in mind.

Entry door hardware utilizes metal gears instead of plastic.

Entry door hardware offers 90 minute fire rating.

Alaskan Yellow Cypress jamb is durable against rot and insect resistant.

Steel reinforced strike plate in jamb offers superior strength.

100% maintenance free, saving you time and money.

Unlike standard brass hardware, ours will never rust or corrode.

STYLES AND DESIGNS

“

The installation was quick and easy. They left my house cleaner than when they arrived. My new door looks stunning!"

With Low-E Glass

Invisible metallic coating blocks heat flow, shields against damaging UV rays, and reduces cooling costs by reducing solar transmissions during the summer.

In the winter, heat loss is reduced and solar energy is allowed to pass through inside the home.

Paint and Stain

Our vast selection of paints and stains will not only last for years to come, but also give your door a vibrant appearance. Aside from paints, we also offer woodgrain stains.

If you would like us to paint your entry doors for you, we will gladly do so! Pick a color for the exterior, and/or an interior color.

If you would rather apply your own paint or stain, simply order your door primed.

HARDWARE

Premium Hardware

Our timeless and stylish hardware designs will add elegance to your entry door, increasing curb appeal of your home. From doorknobs to locks to handlesets, our hardware is both aesthetic and functional.

Gain peace of mind knowing it takes more force to break through our premium locks versus standard locks. Unlike standard grade hardware, top grade brass never corrodes or rusts.
